Scientific workshops and conferences:

First: conferences

I have actively contributed to **30** national and international conferences by presenting posters and delivering presentations.

Participation by attending and giving scientific research:

- **27- 29 November 2023** Participate in Poster presentation at 10th Annual Nursing Conference Jaddah KSA.
- **4 – 6 June 2021.** Participate as a presenter) in 1st International 6th National Nursing Congress, Türkiye.
- **4-6 February 2020.** Participate as (Presenter) the HCTs Third (ASET) 2020 Multi International Conferences. CT - Dubai Men's Compu's, UAE.
- Representing the College of Applied Medical Sciences - Shaqra University by jointly delivering a working paper through (video talk) at the eleventh annual scientific conference of the College of Nursing - Zagazig University entitled (Enhancing the use of Technology in the teaching and practice of Nursing) held on April 23, 2018
- Representing the College of Applied Medical Sciences - Shaqra University by jointly delivering a working paper through (video talk) at the Second International Conference of the College of Nursing - Fayoum University entitled (Developing advanced practices in nursing and health care) held on 12-13 / 3/2018
- Representing the College of Applied Medical Sciences - Shaqra University by jointly providing scientific research through (video talk) in the Second International Conference of the College of Nursing - Minia University entitled (Quality of Nursing Performance within contemporary changes) held on 16-17 / 4/2018
- Representing the College of Applied Medical Sciences - Shaqra University by submitting a scientific poster at the first scientific conference of the Department of Nursing Administration at the College of Nursing, Qena University, Suez entitled (Innovative approaches in administration and research) held on 4/19/2018
- Participating in a working paper in the first annual scientific conference of the Department of Elderly Nursing of the Faculty of Nursing - Zagazig University entitled (Towards a healthy aging) held on 10/17/2017
- Representing the College of Applied Medical Sciences - Shaqra University by submitting a scientific poster at the Seventh International Conference on Patient Safety on 3/23/2017 held at King Saud bin Abdulaziz University
- Representing the College of Applied Medical Sciences - Shaqra University by jointly presenting scientific research at the first international conference of the Faculty of Nursing at Fayoum University on 27-28/3/2017 held at the Faculty of Nursing Fayoum University - Egypt under the title of Nursing Development: A Path to Advancement in the Health System for the Future

- Representing the College of Applied Medical Sciences - Shaqra University by attending the International Conference in Health Informatics) on 23/2/2017 held at King Saud bin Abdulaziz University
- Participating in scientific research at the tenth scientific conference (Innovation in Nursing Education and Practice) at the Faculty of Nursing, Zagazig University, held 4/4/2017
- Participation by attending the 9th International Scientific Conference (Paving the way Toward Forward Thinking in the Nursing Profession) at the Faculty of Nursing, Helwan University, held 23-24 / 4/2017
- Participating in a scientific research meeting at the Second International Scientific Conference (The Role of Nursing in Governance and improve global health) at the Faculty of Nursing, Beni Suf University, held 5/7/2017
- Participation by attending the Second International Scientific Conference (Role of faculties of nursing in establishing ethical and professional concepts in nursing services) at the Faculty of Nursing, Sohag University, held 4/24/2017
- Participating in a scientific poster at the Sixth International Scientific Conference (Integration in health care: A step toward health system evolution) at the Faculty of Nursing, Suez Canal University, held 2-23 / 2/2017
- Representing the College of Applied Medical Sciences - Shaqra University by jointly delivering scientific research at the Fifth International Scientific Conference (Toward Advanced Nursing Practice) at the Faculty of Nursing, Menoufia University, held 4-5 / 4/2017
- Participation by attending the Sixth Scientific Conference of the Faculty of Nursing at Tanta University entitled Nursing Performance, dated 04-5-2012
- Participation by attending the seventh scientific conference of the Faculty of Nursing at Zagazig University entitled "Risk Management") held at the Faculty of Nursing - Zagazig University on 04-30-2012
- Participation by attending the first scientific conference of the Faculty of Nursing at Zagazig University on quality in nursing education and the challenges of the times on 3-4-2006
- Participation by attending the third scientific conference of the Faculty of Nursing at Zagazig University for:
- New trends in nursing practice May 5th, 2007
- Participation by attending the fourth scientific conference of the Faculty of Nursing at Zagazig University for:
- Nursing role in crises management April 30, 2008
- Participation by attending the Fifth Scientific Conference of the Faculty of Nursing at Zagazig University for:
- Nursing between Reality and Ambition April 27, 2009
- The Sixth Scientific Conference of the Faculty of Nursing at Zagazig University for:
- Patient safety: Opportunities and challenges April 12, 2010
- Participation by attending the fourteenth scientific conference of the Faculty of Medicine at Zagazig University on:
- Family medicine a national strategy November, 27th - 29th 2006
- Participation in the annual international conference on the liver and digestive system, in cooperation with the Egyptian Association for Liver, Digestive and Infectious Diseases in the period from 3-5 / 2010

Participation in coordination conferences:

- She coordinated between the College of Nursing - Zagazig University and Shaqra University - Saudi Arabia in the eleventh annual scientific conference of the College of Nursing 2018

She coordinated between the College of Nursing - Zagazig University and King Saud University, represented by Prof. Dr. Abdel Rahman Jazia, President of the Global Journal on Quality and Safety in Health Care) at the eleventh annual scientific conference of the College of Nursing 2018

Training courses, seminars, and scientific lectures

Regarding Quality and accreditation, in the first semester of 2023

- Evaluating the quality of academic programs
- Strategic planning is a science and an art
- Evaluating program outcomes and graduate attributes
- Building and measuring learning outcomes
- Preparing and reviewing the program and course report
- Preparing and reviewing program and course specifications
- Teaching strategies and formulation of learning outcomes
- Statistical analysis of questionnaires and mechanism for displaying results

Regarding Courses of the Center for Capacity Development of Faculty Members and Leaders

- Anti-Corruption from 11-4-2023 / 13-14- 2023
- Crisis and Disaster Management from 4-11-2023 / 13-14- 2023
- Preparing competitive projects to finance research from 4-18-2023 / 4-20-2023
- Statistical analysis, first level, spss, from 4-18-2023 / 4-20-2023
- Managing and developing oneself and overcoming work pressures from 5-2-2023/ 5-4-2023
- Effective teaching and learning strategies for colleges and institutes of higher education from 5-17-2023/5-18-2023
- Participating by attending an electronic training course entitled (International Scientific Research Arbitration Skills) presented on the Saudi Digital Library platform on 3/20/2018 for 2 hours
- Participation by attending an electronic training course entitled (Search Mechanism in the BMJ Base) presented on the Saudi Digital Library platform on 3/20/2018 for 1 hour
- Participation by attending an electronic training course entitled (How to make a good book publishing proposal) presented on the Saudi Digital Library platform on 3/19/2018 for 1 hour
- Participation by attending an electronic training course entitled (How to make a good book publishing proposal) presented on the Saudi Digital Library platform on 3/19/2018 for 1 hour
- Participation by attending an electronic training course entitled (How to publish medical research in Oxford Journals) presented on the Saudi Digital Library platform on 3/21/2018 for 1 hour
- Participation by attending an electronic training course entitled (Philosophy and Research Methods) presented on the Saudi Digital Library platform on 3/23/2018 for 2 hours
- Participation by attending an electronic training course entitled (Scientific Publishing Skills and Methods of Discovering Unclassified Journals) presented on the Saudi Digital Library platform on 3/21/2018 for 2 hours
- Participation by attending an electronic training course entitled (Publishing skills in Arab and foreign magazines) presented on the Saudi Digital Library platform on 4/16/2018 for 2 hours
- Participation by attending an electronic training course entitled (Academic Communication Skills) presented on the Saudi Digital Library platform on 4/5/2018 for 2 hours
- Participation by attending an electronic training course entitled (How to access medical journals through the Science base) presented on the Saudi Digital Library platform on 2/4/2018 for 1 hour

- Participation by attendance in an electronic training course entitled (Clinical Decision Support - Reinvented) presented on the Saudi Digital Library platform on 6/3/2018 for 2 hours
- Participation by attendance in an electronic training course entitled (Resource Organization Skills) presented on the Saudi Digital Library platform on 2/26/2018 for 2 hours
- Participation by attending an electronic training course entitled (Clinical Key Search Mechanism) presented on the Saudi Digital Library platform on 3/18/2018 for 1 hour
- Participation by attendance in an electronic training course entitled (Skills of smart devices and applications in research) presented on the Saudi Digital Library platform on 4/9/2018 for a period of 2 hours
- Participation by attending an electronic training course entitled (Skills of using data vessel engines) presented on the Saudi Digital Library platform on 11/4/2018 for a period of 2 hours
- Participation by attending an electronic training course entitled (Research Mechanism in Financial and Administrative Rules) presented on the Saudi Digital Library platform on 3/18/2018 for a period of 2 hours
- Participation by attending an electronic training course entitled (Search Mechanism through the Saudi Digital Library Portal) presented on the Saudi Digital Library platform on 3/4/2018 for a period of 2 hours
- Participation by attending a training course entitled (How to be graceful) organized by the Educated Neighborhood Center for two hours of training, dated 1438/1439 AH
- Participation by attending a training course entitled (Fundamentals of Scientific Research) organized by the Deanship of Community Service and Continuing Education at Shaqra University by 6 training on 29-30 / 7/1439 AH
- Participation by attending a training course entitled "Side Effects of Electronic Devices" organized by the Learning Neighborhood Center for two hours of training, dated 1438/1439 AH
- Participation by attending a training course entitled "My Child and His School Tools" organized by the Learning Neighborhood Center for two training hours, dated 1437/1438 AH
- Participation by attending a training course entitled "Protecting my child from microbes" organized by the Educated Neighborhood Center for two hours of training, dated 1437/1438 AH
- Participation by attending a training course entitled (Total Quality) 1437/1438 AH in the Kingdom of Saudi Arabia
- Delivering a lecture under the title (Introduction of Research) within the plan of the first scientific forum for the academic year 1438-1439 AH on Sunday 3/8/1439 AH at the College of Applied Medical Sciences for Girls in Shaqra
